There will be the same added money as last year in the Open, Youth, and Senior Classes over the four days of competition with added bonus races for The American Cancer Society and the Appreciation Races all totaling \$32,500. American West has co sanctioned the 2009 Finals with the WPRA.

The expenses to the riders has decreased a whopping 40% in stall fees as compared to last year and a total of 25% reduction overall including entry fees and stall fees. We are able to reduce the entry fees and stall fees by moving the 2009 Finals to the Winnemucca Events Center located at Winnemucca, NV.

The fee reduction given to American West 4D, LLC by the Winnemucca Convention & Visitors Authority is passed on to you, the Membership of American West 4D. We are excited with the new venue and the appreciation that Winnemucca has shown us over the past six months preparing for our event. American West Management is working hard at producing the best Finals within the Western US. When a facility's savings is given to us, we pass the reduction on to you the rider.
